

The Most Important Way to Improve Your Health, is to Eat **WHOLE CRYSTAL SALT**

PRODUCT INFORMATION

Of the 84 minerals and elements found in the human body, 72 are believed to be essential ingredients of a healthy diet. Mineral Mountain Salt™, formerly *Miracle Krystal Salt* contains all 72 of these mineral elements.

Mineral Mountain Salt™ is over 250 million years old and in the perfect ionic form, which makes it's minerals and elements absorbable by the body even before digestion. This pure, unrefined salt is mined at over 10,000 feet, making it free of modern environmental pollutants and contaminants. These minerals work together to help promote healthy bodily functions by unleashing the bodies natural healing power.
